**Pride by the Beach** stands as a vital initiative and gathering organized by the North County LGBTQ Resource Center, serving a vast area encompassing more than 13 cities, including Camp Pendleton, within the North San Diego region. Our vibrant street festival, Pride by the Beach, boasts a mainstage and a community stage that showcases exceptional local entertainment, exhilarating dance performances, dedicated youth and education areas, tantalizing food, and a wide array of over 130 retail and resource vendors. With a remarkable attendance of 23,000+ enthusiastic individuals, families, and pets, our event becomes an extraordinary celebration of pride and inclusivity by the beach.

**Vendor and Entertainment applications are now open on our website**
